100% of proceeds go to the Clinic for Special Children and the Central Pennsylvania Clinic.*

ABOUT THE CLINIC FOR SPECIAL CHILDREN: The Clinic for Special Children was established in 1989 as a non-profit medical service for children with complex medical needs. The Clinic's mission is to improve quality of life for those with genetic or complex medical conditions through innovative research, accessible laboratory services, and compassionate care. Today, CSC cares for over 1,600 active patients from 46 states and 17 countries and treats over 510 unique disorders.
